Chủ đề: AEGC 2019 Abstract Notification

Thursday, May 9, 2019

ID: 647

Dear Duy Thong,

Thank you for submitting an abstract to **AEGC 2019: Data to Discovery** to be held 2 - 5 September 2019 at the Crown Perth, Western Australia.

The conference received a large number of abstract submissions and we are delighted to advise that your abstract outlined below has been **accepted for an oral presentation**.

Please note if you have submitted additional abstract(s) for oral presentation and they are not listed below, please be advised that these outcomes are still pending.

Accepted Oral Presentation

Title	Co-operative inversion of geoelectrical data sets acquired from different electrode arrays
Paper Number	236

Paper Status

1. Abstract Accepted Oral Presentation

Presenting Author

Dr Duy Thong Kieu

Presentation Acceptance of Offer

To confirm/decline your participation at the Conference please reply by **Friday 17 May 2019** to accept or decline the offer, including the name of your abstract and paper number.

In addition, if you are not the presenting author of this submission, can we please ask you to advise their name and contact details in order for us to correspond with them directly in the future.

Registration Required

A condition of abstract acceptance is that the presenting author must register to attend as a full delegate and pay the appropriate registration fee by **Friday 31 May 2019**. Should you not register by this time, your abstract may be removed from the program.

Registration is now open, and we encourage you to register early and take advantage of the early bird rate. Please visit [click here](#) to register if you have not yet done so.

Production of Power Point

Further information will be sent to you regarding your presentation day and time. However please be aware that all presentations should be produced in Power Point widescreen 16:9 ratio format in line with the projector screens provided in the session rooms.

We will be in contact with you again in the lead up to the Conference, however should you have any queries in the meantime please do not hesitate to me as detailed below.

Congratulations on your acceptance and we look forward to welcoming you to the **AEGC 2019: Data to Discovery**.

Kind Regards

Daniela Dwyer
