Industrial Processing Technologies for High Purity Quartz: A Perspective **Review**

Xiaoyong Yang; Mei Xia; Yicun Wang; Yisu Ren

Dear Mr Bui,

I would like to invite you to **review** the above referenced manuscript submitted by Pro. Xiaoyong Yang , as I believe it falls within your expertise and interest. The abstract for this manuscript is included below.

You should treat this invitation, the manuscript and your **review** (as well as other **reviewer** comments shared with you) as confidential. You must not share your **review** or information about the **review** process with anyone without the agreement of the editors and authors involved, irrespective of the publication outcome. If the manuscript is rejected by this journal and the author agrees that the submission be transferred to another Elsevier journal via the Article Transfer Service, we may securely transfer your **reviewer** comments and name/contact details to the receiving journal editor for their peer **review** purposes.

Please respond to this invitation at your earliest opportunity.

If you would like to **review** this paper, please click this link:

[Agree to Review](#)

If you have a conflict of interest or do not wish to **review** this paper, please click this link:

[Decline to Review](#)

If you decline to **review** I would appreciate your suggestions for alternate reviewers.

If, for any reason, the above links do not work, please log in as a **reviewer** at <https://www.editorialmanager.com/orgeo/>

Since timely **reviews** are of utmost importance to authors, I would appreciate receiving your **review** within **21** days of accepting this invitation.

I hope you will be able to **review** this manuscript.

Thank you in advance for your contribution and time.
