Dear Dr. Nguyen Bach Thao,

By this letter, we are pleased to inform you of our upcoming event, **'International Conference on Geological Engineering and Geosciences 2026 in association with AUN/SEED-Net Regional Conference of Geological and Georesource Engineering'**, which will be held online on 10 – 11 September 2026. The conference theme is **Advancing Geo-resource Research for Environmental and Economic Resilience: Trends, Challenges, and Opportunities**. Please find the attached Conference Leaflet for your reference. Our conference website is available at <https://icgoes.geologi.ugm.ac.id/>.

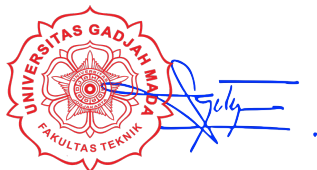

We cordially invite you to be part of this event as a member of our *Scientific Committee*, as our counterpart from Hanoi University of Mining and Geology. It is our honor if you can encourage your students to participate in this conference.

We are looking forward to hearing the good news from you.

Thank you for your kind cooperation.

Sincerely yours,
Deputy Dean
For Education and Student Affairs
