Summarize this email

You don't often get email from breditorial@wiley.com. [Learn why this is important](#)

Dear Dr. Nguyen Huu,

Thank you for submitting your review of "Chemical weathering in the tropical monsoonal climate of central Vietnam and provenance of Yinggehai-Song Hong Basin sediments (South China Sea)" to Basin Research.

We appreciate the time and effort you dedicated to reviewing this manuscript. Your work helps us ensure the quality and integrity of our published research.

Kind regards,
Basin Research
